Meadow Montessori Secondary Programs...

Our secondary programs are a natural extension of our school community. The core of the program is, as always, an individualized education plan with an emphasis on high academic performance, unique experiences, and opportunities for leadership and service. Students study foreign language, play a musical instrument, work in various media in art class, participate in physical education classes and pursue their own passions and interests.

Curriculum

There are four distinct parts to our curriculum:

- Academics
- Global view
- Community action and leadership
- Practical life skills

Middle School

International and National Travel

Development of practical life skills takes place through daily instruction and national and international travel. Middle school students take two trips each year. Our fall trip is an outdoor adventure and in the spring, students travel to an urban center. The third-year students travel outside of the United States; our students have visited China, Galapagos Islands, Iceland, Italy and Mexico.

Program Highlights:

- Development of practical life skills & an appreciation for diversity
- Farm Program
- International and national travel
- Advanced placement classes
- Daily instruction in foreign language
- Career exploration internship
- Instrumental and vocal music
- Athletics

High School

Monroe County Community College

Students in their second and third year of high school take academic courses at the Monroe County Community College (MCCC). Qualified 10th grade students may also participate in MCCC course work. Classes at MCCC earn dual credit hours for both high school and college.

Our graduates have applied to and were accepted at a variety of institutions of higher learning, including but not limited to the following:

Alma
Kenyon College
Michigan State University
Michigan Technological University
Rose-Hulman Institute of Technology
University of Michigan
Wayne State University
Wooster College

Program Highlights:

- Dual enrollment at the MCCC
- Advanced placement classes
- International and national travel
- College mentoring
- Daily instruction in foreign language
- Development of practical life skills
- Community leadership project
- Instrumental and vocal music
- Athletics
