Twenty-Five Years of Excellence in Education

August 31, 2011

Dear Intermediate Parents,

Once again, Intermediate teachers are making plans for our classes to travel to Howell Conference and Nature Center this year for our annual “camp week.” The dates of our visit are October 10 – 12, Monday through Wednesday. This letter is to give you a heads-up so that you can start planning for your child to be away from home those three days.

Howell Conference and Nature Center is a beautiful facility that offers excellent programming. You can visit their website to see some details about the location and offerings:
www.howellnaturecenter.org.

The price for our three-day trip is not confirmed, but we are trying to keep costs in the \$150.00 range while still benefiting from their curriculum offerings. Like last year, we are thinking that bake sales would be a relatively easy and successful way to keep costs a bit lower. We could use parent help in order to make bake sales run smoothly if this is the route we choose to take.

Camp week will be an integral component of the school year and attendance is not optional. If you have any questions, please do not hesitate to contact us.

Looking forward to camping!
Darcy and Meg
