Note: Event details are subject to change and you will be notified as soon as information becomes available. Runners are expected to be at the race a minimum of 30 minutes prior to race time. If you are unable to attend an event, please let me know as soon as possible so I can make timely changes to the submitted roster. Race details will be emailed the week prior to an event.

The start times for the events can change throughout the day depending on other races. Most events begin at 9:00 AM and are finished by 3:00 PM. Please be flexible and stay and support our team. The invitationals include runners from k-12th grade so it is important to find out your runner's scheduled event time.

Regarding park passes: We run at two Metro Parks and one State Park, so you may want to purchase a park pass if you plan on visiting during the summer or more often than the events.
