

Meadow Montessori School

Twenty-Five Years of Excellence in Education

Junior West Reading Schedule 2009-2010

Dear Parents,

Welcome to the wonderful world of reading! Your child will take part in our reading program which is based on key sounds, phonograms, sight words and daily reading practice designed to help your child achieve success in reading. Your child will meet on the following days for the reading program:

Monday/Wednesday Readers

Ammar Abdul-Kabir
Grace Buchanan
Ellie Himebauch
Rylee Richardson
Max Weakly
Kai Polley

Tuesday/Thursday Readers

Carson Daill
Mateo Hills
Max Howard
Lily Kindle
Hailey Payne
Cale Piedmonte-Lang

The following is a list of homework requirements for each reader:

1. Each day the reader will have a book to read. Please let your child read to you with help.
2. The child will have a small group of sight words to master. Please have the reader read these words three times each day (this can be consecutive or spread out). Have the child write the words once, help them understand the definition and be able to use it in a sentence.
3. Occasionally there will be handwriting exercises that the reader will not finish at school. Each letter is repeated 10 times on five lines. We ask that the child underline the best letter on each line.
4. Have fun! Learning to read is a special time in a child's life and we look forward to working closely with you to encourage the love of reading in your child.

~Ms. Anya & Ms. Teresa
