

# Week Six

## Elementary /Secondary

August 3 to August 7, 2009

### Cultural cooking (9-11 am)

**Instructor: Leah Foster**

Ages 6 and up  
Lab Fee: \$10

Maximum 15  
Cost: \$50.00

The children will learn the origin and importance of food from different regions of the world. They will follow recipes and enjoy the finished product. For example: Who made the first pizza? , What did Native Americans eat? Crafts and activities will coincide.

### Caring for Wildlife (9-11 am)

**Instructor: Denise Szenderski**

Ages 6 and up  
Lab Fee: \$7

Maximum 20  
Cost: \$50.00

This week we will have a "wild" good time learning all about wildlife. We will be taking nature hikes, and learning what our wild friends like to eat and all about their habitats. We will also be making birdhouses and several kinds of wildlife feeders. So, come and have fun caring for our animal friends!

### Gymnastics (9-11 am)

**Instructor: Janelle Holdren**

Ages 6 and up  
No Lab Fee

Minimum 6, Maximum 12  
Cost: \$75.00

Learn to do somersaults, handstands, cartwheels and more in the summer sun!

**Requirements:** come sun-screened, wear comfortable clothing, leotards or swimsuits are okay, no jewelry and long hair tied-up. Bring a water bottle daily

### Let's Go To The Fair! (9 am-3 pm)

**Instructor: Pat Gruber**

Ages 6 and up  
Lab Fee: \$25

Maximum 20  
Cost: \$100.00

The Fair is a wonderful place to learn! Each morning we will visit all the nooks and crannies of the Fair from farm animals, food crops, our environment and crafts. Also, we will enjoy awesome fair food, Calder Dairy ice cream and other snacks daily. In the afternoon we will visit working farms and learn about agricultural awareness. The lab fee of \$25 is for entry to the fair and snacks.
