

Week Seven

Elementary /Secondary

August 10 to August 14, 2009

Recycled Arts and Crafts (9-11 am)

Instructor: Leah Foster

Ages 6 and up
Lab Fee: \$3

Maximum 15
Cost: \$50.00

Go Green! The children will make beautiful arts and crafts out of recycled and found materials. They will learn the basics and importance of recycling and upcycling. For example: we will make mini journals out of cardboard and old magazines.

Art with Nature (9-11 am)

Instructor: Denise Szenderski

Ages 6 and up
Lab Fee: \$5

Maximum 20
Cost: \$50.00

Nature has so much beauty to offer and this week we will be using nature to make beautiful art. We will be making paperweights using rocks and pebbles; creating a lovely picture from flower pounding; and making a special picture frame with seashells. These are just a few of the art with nature pieces planned. Come and see what else can be made using nature!

Keyboarding (9-11 am)

Instructor: Pat Gruber

Ages 6 and up
No Lab Fee

Maximum 10
Cost: \$50.00

Are you still hunting and pecking at your computer instead of really knowing your keyboard? Let's work together to build your familiarity with the keyboard. Join me to learn some basic word processing and increase your speed and accuracy. Limit 10 students so we can really focus and make some progress.

Gymnastics (9-11 am)

Instructor: Janelle Holdren

Ages 6 and up
No Lab Fee

Minimum 6, Maximum 12
Cost: \$75.00

Learn to do somersaults, handstands, cartwheels and more in the summer sun!

Requirements: come sun-screened, wear comfortable clothing, leotards or swimsuits are okay, no jewelry and long hair tied-up. Bring a water bottle daily

Gardening (11 am-12 pm)

Instructor: Pat Gruber

Assistant: Kyle Spotts

Ages 6 and up
No Lab Fee

Maximum 20
Cost: \$25.00

Enjoy planting, harvesting, tending and preparing foods from our Meadow Montessori School garden. You will also learn all about gardening.

Art Through Nature (1-3 pm)

Instructor: Holly Abrams

Ages 6 and up
Lab Fee: \$6

Maximum 20
Cost: \$50.00

Come and make art and craft projects related to nature. We will make bird feeders, a Native American walking stick, leaf sun catchers, and other projects using sticks, rocks, pine cones, flowers and seeds. All of our projects are to take home with you.

All about Fish (1-3 pm)

Instructor: Pat Gruber

Ages 6 and up
Lab Fee: \$10

Maximum 20
Cost: \$50.00

Are you ready to learn about the wonderful world of fish? Our earth is approximately 70% water. There are approximately 28,000 species of known fish. What's the largest fish? What is the smallest? What is the most interesting to you? What do they eat; where do they live? In this class we will learn all about fish. Please note that on Friday we will have a field trip to the Zoo from 12:30 pm until 3 pm. Bring a water bottle and sunscreen.
